

YOUR CUSTOMERS CAN SAVE MORE ON TAP[®] PEST CONTROL INSULATION

Through the NEW ENHANCED Inflation Reduction Act of 2022, homeowners may be eligible for a tax credit for 30% of insulation and air sealing project costs, up to \$1,200 per year. This tax credit is available from January 1, 2023 through December 31, 2032, and allows homeowners to claim the credit on a yearly basis.

** Because each taxpayer's situation is unique, advise homeowners to consult with their tax professional to determine eligibility for this credit.*

The Facts on Residential Efficiency Tax Credit (25C)

- 30% of insulation and air sealing project costs up to \$1,200
- Enhanced credit amount applies from January 1, 2023 through December 31, 2032
